

SHOP PRESS TOOLING

60 TON
SHOP PRESS

PRESS BRAKE TOOLING

- Designed to compliment the Edwards Shop Presses, the Press Brake Tooling turns your Shop Press into a brake
- Fabricate brackets, frames, pans and tanks with this Brake with 4-Way Die
- Includes a standard punch that allows 1/16", 1/8", 3/16" and 1/4" material to be formed to a 90° angle
- Easily create repeatable bends when paired with the Press Brake Back Gauge

6 PIECE PRESS TOOLING SET

- Includes both tapered and cutaway push blocks in various diameters
- Allows users to press bearings, bend metal or straighten parts

PRESS BRAKE BACK GAUGE

- Speed up production on repeatable bends with an adjustable stop
- A positive stop attachment that is fitted to the Shop Press ensures accurate bending
