

# 10 TON PIPE / TUBE BENDER

The first in our new series of Plug n' Play Hydraulic Accessories, the **EDWARDS BENDER** was designed for our versatile range of **IRONWORKERS**. Our **BENDER** accessory can be added to your **40TON A**, **50TON A**, **55TON A** or **60TON A** ironworker purchase for just **\$1,796**. The **BENDER** can also be purchased with the **EDWARDS PORTAPOWER**, portable hydraulic unit, at a package price of only **\$3,996**. Like all of our products, the **EDWARDS BENDER** is proudly designed and manufactured in the U.S.A.
